

11 June 2019

Parent/Carer

Dear Parent/Carer

Year 11 students will be dismissed from school today **12 June** following their chemistry exam. This will be at approximately **10.30am**. If students have a GCSE geography exam on 13 June they can choose to stay for the planned revision sessions during the afternoon of 12 June. Any students that do not have Geography revision must leave the school premises straight from the chemistry exam to avoid disruption to other classes and ongoing exams. Once a student has left site they will not be able to return that day.

If you do not want your child to be dismissed after their exam please contact the school.

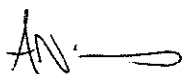

There is a physics revision session on Thursday 13 June P4 & P5 for any student who wishes to attend. They must sign in at main reception in full school uniform and go straight to their usual science teachers.

The students will have the opportunity to get shirts signed during the remaining days this week. Please make sure they bring in a spare shirt or notepad as they cannot enter an exam with writing on a shirt.

The students are invited to school for their leavers' assembly on **Friday 12 July** which starts promptly at **9.30 until 10.30am** and the dress code is smart/casual.

The school are still accepting payments this week for the Prom on **Thursday 4 July** at the wonderful Moxhull Hall. Students must maintain good behaviour throughout the week to be invited to the Prom.

Yours sincerely

Mr A Nimmo
Head of Year 11
