Dear Parent/Guardian

Over the last few months Sutton Park has suffered from a increase in anti-social behaviour and crime. There has also recent spike in robberies across the Birmingham area involving children who are openly carrying their mobile phones. Seven people were recently arrested and since then we have seen a reduction, nevertheless as a Neighbourhood Policing Team we want you to help us to tackle this problem. You maybe aware there is an up and coming event in Sutton Park with a fun fair providing entertainment for the whole community. There will be police officers in uniform as well as plain clothes patrolling the park and the nearby town centre. I would therefore ask that your children be on their best behaviour when attending such events, and aware of their surroundings at all times.

West Midlands Police are committed to the welfare of all the residents of Sutton Coldfield and would like to ensure that this event passes with no problems. We need your help to make this happen.

Please be aware of where your son/daughter is over the weekend, and who they are with. Be specific as to their whereabouts.

Any young person found committing acts of anti-social behaviour will be subject of a investigation by West Midlands Police

We recognise that the vast majority of young people behave well at community events, but quite often youngsters can be drawn into risky situations by others. Please don't let your child be one of them.

West Midlands Police takes your safety and personal security very seriously indeed and we are committed to providing a safe and secure environment for everybody.

We will also be offering advice on how to register your property such as mobile phones for free on Immobilise.com. We are also offering home security advice and cycle marking. You will find us in our mobile police station in the park.

Thieves are opportunists and won't hesitate to take your mobile phone and other personal belongings, so please be vigilant.

Kindest Regards

PCSO Cindy Tierney 30208  
Trinity Neighbourhood Policing Team  
Sutton Coldfield Police Station.
