Willmott
School**

Headteacher: Mrs T Peters

2 November 2017

Dear Parents/Carers

As the mornings and nights become darker students need to ensure that they are safe travelling to and from school. Please could you speak with your child about their personal safety. We will also be reminding students in tutor time about how to keep themselves safe.

Our advice is as follows:

1. Walk with other students, the more the better.
2. Never wear headphones of any type while walking so that they are alert and aware of what is going on around them.
3. That if they bring a phone to school it is a cheap, basic device of little value and not an I-phone or similar high value model. Or they keep it out of sight.
4. Not to walk through unlit gullies or alley ways on their own.
5. Stay as far as possible on the main roads.
6. Stay alert at all times and run away from potential danger.

If students see or hear anything that concerns them please contact the school as soon as possible.

Yours sincerely

Mrs T Peters
