Dear Parent/Carer

### **Year 11 Trial Examinations**

Year 11 trial examinations commence on 1 December and run through to 18 December 2017. An individual timetable is listed overleaf. Please check this thoroughly.

#### **EQUIPMENT**

For all examinations, students should ensure they bring the correct equipment – black pen, pencil and ruler where needed. Erasable ink and gel pens are not allowed – these types of pen fail to scan correctly when papers are received by the exam board and as a result, all work appears blank.

#### **NEW JCQ REGULATIONS**

In line with new regulations to prevent malpractice, the following changes will begin with effect from the trial exams and continue for all examinations thereafter.

Calculators will be provided by the school for exams that require them. Students should use the school calculators only. Mobile phones, iWatches and any other electronic storage device are strictly forbidden, students will hand these in to invigilators at the start of each exam and receive a ticket. Tickets can be returned for any possessions handed in at the end of each exam. Students found with disallowed items on them may face disqualification. Students who choose to wear analogue and regular digital watches may do so, but these **must** be taken off and placed on the desk prior to each exam.

#### **PUNCTUALITY**

Students should arrive 15 minutes prior to the exam time. Unless otherwise specified, morning exams commence at 8:50am and afternoon exams at 1:00pm. Seating plans are displayed on the exams notice board prior to each exam.

Yours sincerely

Miss H Lewis  
Exams Officer
