Dear Parent/Carer

RE: Year 11 Trial Examinations

Year 11 Trial examinations will be taking place from 05 December to 15 December 2016. The timetable for these exams is overleaf. Students should pay particular attention to the start times to ensure they arrive on time.

For these examinations, students should ensure they bring the correct equipment – black pen (biro or rollerball pen, gel pens are not allowed), pencil, ruler and calculator where needed.

During the exam period, students who are not taking examinations are required to be in normal lessons. Students should arrive in school each day fully prepared and equipped for both lessons and exams.

Good study habits established now will pay dividends in the future. We would encourage you to support your son/daughter with revision, and wish our students every success in these examinations.

Yours sincerely

Miss H Lewis
Exams Officer
