

Summer Internships In STEM-Related Careers

Live & Online

For Ages 15-18

August 2020

**Investment Banking. Medicine. Engineering.
Psychology. Computer Science. Architecture.
Entrepreneurship.**

We are delighted to offer STEM-related Summer Internships in 7 different industries 'Live & Online' throughout August, which students aged 15-18 can register for now.

On these Internships, your students can gain invaluable summer work experience from the comfort of their own

homes; with successful Doctors, Engineers, Computer Scientists, Investment Bankers, Psychologists, Architects and Entrepreneurs.

Our STEM-related Internships are listed below, with highlights and available dates. You can simply click on any of the icons to read full details and register now.

Places are limited. We kindly ask you to forward this email to relevant students and parents so that they can register.

All our 'Live & Online' Summer Internships last 4 days and take place in July and August.

The first 3 days are dedicated to immersive experiences of that career alongside top professionals and Q&A/virtual networking time with them.

Day 4 is dedicated to personalised career coaching - a sector recruitment expert will look at your credentials and create a bespoke development plan so you can maximise your chances of success.

You can choose to attend either all 4 days or just the first 3.
