

August 2020

Dear Parents and Carers

We recognise due to the pandemic that this has been and still is an increasingly difficult time for a lot of families. We are in contact with a number of food banks and they have kindly offered to provide a food package voucher to a number of our families, the food package will provide enough food for your family for up to three days.

To receive a food package you will need:-

- access to transportation to collect the package;
- to be able to go to the food bank within a week from receiving the food package voucher.

If you would like to receive a food package voucher please confirm your interest by emailing [enquiry@jws.bham.sch.uk](mailto:enquiry@jws.bham.sch.uk).

Yours faithfully

**Mrs T Peters**  
**Headteacher**
