Dear Parents and Carers

It was fantastic to welcome our young people back to school after the half-term break. I do hope you are all staying safe and well.

You will, no doubt, have seen the Prime Minister's announcement which will result in a second lockdown from Thursday 5 November. Schools will continue to remain open and please be assured that we will continue to implement our robust protective measures in school to help mitigate risk as much as possible for staff and students.

In addition, I would like to politely request that when dropping off or collecting children from school, that you wear a mask or other appropriate face coverings. This will further support greater safety in and around schools. I would like to thank you also for your support in helping our young people stay safe by complying with the protective measures in school, wearing a face covering, observing social distancing wherever possible and paying particular attention to regular hand washing,

Yours faithfully

**Mrs T Peters
Headteacher**
