

September 2020

Dear Parents and Carers

At this time of year, we would normally be inviting you to attend our Year 11, Leadership Team, Parents Evening to discuss your child's transition into Year 11, however you will appreciate that this year we are unable to do so.

Therefore, from Monday 28 September you will receive a call from either, a member of Leadership Team, Miss Noreen (Head of Year 11) or Inclusion. We understand that this has been a very difficult time and we would like to have this opportunity to speak with you about how your child has settled back into school, particularly their attitude towards their learning both in class and at home.

This will be an extremely beneficial conversation for us all to support your child moving forward and address any concerns. Further to this letter you will also be receiving some additional information that will outline important dates for the year ahead and curriculum content for each subject area in light of recent government changes to the GCSE curriculum for the current Year 11 cohort.

We would ask that prior to this conversation that school has your most up to date contact information, please let school know if your telephone number has changed.

We look forward to speaking with you.

Yours faithfully

Mrs L Norton
Assistant Headteacher Assessment & Curriculum
