

# NEXT STEPS

## THE VIRTUAL EVENT GUIDE

Three Sessions

### WHAT IS NEXT STEPS ABOUT?

Next Steps is all about life after Year 11! In this event, we will be discussing your options after finishing school including college, sixth form and apprenticeships. We will also walk you through how to choose the right course and subject for you. After that, you'll get a closer look at the application process and the financial support available to you after finishing school. To top it all off, you'll get the chance to hear from a British Champion Strength Athlete on his journey and how he stays motivated!

### WHAT WILL I NEED?

A laptop or computer works best! Or, you can download the Prezi Viewer App (its free) on any phone/tablet!

You may also need to grab a piece of paper and a pen so you can make notes.

### HOW DOES IT WORK?

Simply click on the links and follow the presentations to learn all about further education options. See next page for all the links!
