Dear Parents and Carers

At John Willmott School the Pastoral Team are constantly looking for new opportunities to support, develop and educate our students to enable them to make positive decisions to keep themselves and others safe.

Over the next two weeks the Empower-U team from Birmingham Children's Trust will be delivering presentations and workshops to all students in Years 8-13 around child exploitation.

Students will learn:

- What is meant by child exploitation
- How to recognise the signs of exploitation, the impact on children & young people and the others around them
- That the law protects children, and that no child can consent to exploitation
- Where to get help and support

Empower-U will also offer a workshop in school for parents and carers to find out more about child exploitation. If you are interested in a workshop after school date to be arranged, please email enquiry@jws.bham.sch.uk.

Yours faithfully

Ms V Spawton
