Dear Parents and Carers

Last week we met with all year groups to talk about Online Safety. How to keep safe, how to get help and where to find information on how to adjust security settings.

We have had a number of incidents brought into school this week originating from social media and it has also come to our attention that a number of Tik Tok accounts created by our students. We would appreciate your support in keeping all students safe by checking your child's phone and deleting any accounts associated to the school. Together we have a responsibility of keeping our children safe.

Thank you for your ongoing support in working us.

Yours faithfully
