Dear parents and carers,

As we approach the end of term, I am writing to you on behalf of the Arthur Terry Learning Partnership (ATLP). You will be aware that Mrs Peters has been away from school since last January recovering from illness. Attached to this is a letter from Mrs Peters informing you that she has decided to take early retirement. Mrs Peters has been a loyal colleague of mine for well over 10 years and during this time was instrumental in the significant progress made in her first headship at Stockland Green and latterly, leading John Willmott out of special measures. I have always been grateful for the total commitment shown by Mrs Peters to the communities that she serves, no more so than to John Willmott. She will be missed, and on your behalf, I wish to thank her for everything that she has achieved throughout her long service to education. Everyone at ATLP wishes her well for the future and, hopefully, a full recovery.

I am delighted that Mrs Gould has accepted the position of permanent headteacher at John Willmott. You will be aware that she has led the school in a temporary capacity during Mrs Peters' leave and under Mrs Gould's leadership, the school has continued to make good progress. Mrs Gould has an exciting vision for the school and I look forward to the work ahead. I know you will 'welcome' Mrs Gould to her new role and will support her as we embark on the next stage of the school's journey in becoming 'great'.

Yours faithfully,
