

5 May 2023

Dear Parents and Carers

Following a month-long consultation, the DFE Regional Director for the West Midlands has approved an application from John Willmott School to end its sixth form provision. The consultation was supported by the ATLP Trustees and saw students, parents, staff, stakeholders, and the wider community sharing their views. Therefore, the sixth form provision will end at the school on 31 August 2023.

Since the consultation was launched the school has worked tirelessly to ensure we have offered rigorous independent careers advice to all students, this has included support from establishments offering further education provision within the local area.

We want to thank our students, parents and staff for their understanding and patience throughout the consultation process and we look forward to continuing to work with them as we transition through the changes ahead. We will continue our open and transparent communication with students, parents, staff and the wider community as we move forward with our strategy and visionary plans for the school.

Yours faithfully

Mrs N Gould
Headteacher
